

GRADUATE READING LIST I

Ancient and Medieval Philosophy

The texts on this list are obligatory readings for the Reading List Exam.

Exam questions will be drawn from the editions listed below and will employ translations of terms used therein.

For this reason, students are highly encouraged to use the same official editions, but in the exams are permitted to use any edition that does not contain commentary or extensive explanatory notes.

Printouts of acceptable editions may be used in the exam. For questions about the acceptability of an edition for the exam, please consult the Chair of the Reading List Exam Committee.
