

# **BRIEF BIBLIOGRAPHICAL GUIDE IN MEDIEVAL AND POST-CLASSICAL ISLAMIC PHILOSOPHY AND THEOLOGY (2016-2017)**

**Thérèse-Anne Druart**  
The Catholic University of America

I cannot thank enough all the scholars who kindly sent me information, and, in particular, those who provided me with a copy of their publications or photocopies of tables of contents of collective works. They are true scholars and true friends. I also wish to thank very much colleagues, who patiently checked the draft of this installment and provided supplementary information. Their invaluable help was a true work of mercy.

I am very happy to announce that, thanks to Dr. Andreas Lammer's work and Professor Peter Adamson's support, the Ludwig-Maximilians-Universität München is preparing a combined and searchable version of the installments of this bibliography. The data for the years 2009-2015 have already been put into a new format. We hope to provide a first version of the combined bibliography in 2018. Needless to say, I am most grateful to Professor Adamson, Dr. Andreas Lammer and his team for all their work.
